

REMARKS

In the Response to the Restriction Requirement in the parent case dated October 7, 2003, applicant elected claims 1-15 and added claim 19 (Group I). The original patent application (Serial No. 10/265,513) contained claims 1-18. Claims 16 -18 remain in this divisional application. Claim 17 has been amended to replace the reference to the "method of claim 1" with full text of the method from claim 1.

The amendments are fully supported by the specification, claims and drawings as originally filed. It is believed no new matter has been added by these amendments.

Respectfully submitted
